Congratulations to John Pucci, Jr. who became a member of our church family last Sunday!

Pastor Bill Neff and his daughter, Sharon, sent this thank you card to the church concerning the passing of wife and mother, Christine, with the following personal message:
“Dear Pastor and Church Family, Thank you so much for your cards, prayers and biography on my wife! We do appreciate it very much. The Lord bless you all in the ministry of the church.
Sincerely, Pastor Neff and Sharon”

We also received a **thank you card** from the group BBC made a donation to at the request of the Neff family in lieu of flowers:

“Thanks so much for your generous donation of \$100.00 in memory of Christine Neff. She will be missed in our choir!
Sincerely, Ruthie Toole, Treasurer, Wilm. Handbell Ensemble”

A special note to our summer attendees and long distance friends of BBC. Postage was recently raised to 50 cents for a first-class stamp. The cost of sending bulletins in the mail weekly has risen to over \$140.00 a month, which includes the stamps, address labels, return address labels, envelopes and the cost of printing 40 extra bulletins each week. In a discussion on cost-cutting measures for our 2018 church budget, the Church Board recommended that it would be good stewardship for me to send the bulletins once every two weeks, with two weeks of bulletins inside, which would still be under one ounce of weight. Our local church members who attend regularly, as well as those who give offerings by mail, will still receive a bulletin weekly. The bulletins are once again available for viewing on our church website online at www.brigantinebible.com, as well as the morning message.

Bob and Dorie Ward, who will be worshipping with us this morning, returned last week from an Indiana Court. They were seeking legal communication with their former foster children: Felipe, Ania and Lucy, but were not allowed to even speak in the courtroom. Continue to pray for an open door!
