## PRAYER CORNER

**Dan & Lucia Brubaker** – our Wycliffe Translators in Mali, West Africa, reported in their latest newsletter that the final death toll from the terrorist attack near the capital is now 10. They request our prayers for their continued safety as they translate the Bible into the language of the Minyaka tribes people. Lucia also suffered a concussion and other injuries from a fall in their African home, but is recovering well.

**Deb Hunt's brother, Mike** – fighting a blood infection.

**Nathaly Hawley** – seeking employment.

FROM THE  
PASTOR'S  
PEN

Yesterday, Priscilla Weigold celebrated her 98<sup>th</sup> birthday! She was born in the year 1919 when Woodrow Wilson was President of the United States and Model-T Fords were the rage. She lived through the Roaring 20s, the Great Depression of the 30s and WWII of the 1940s! She may be 98 years old, but she is very young at heart, sharp of mind and is able to walk to church on Sunday mornings when the weather allows. She always has a very positive attitude and spreads joy to those who know her! **Everyone present today is invited to join us in the Fellowship Hall immediately following the service this morning to share a birthday cake with this special lady in our church family!** Just wait until we celebrate her 100<sup>th</sup> birthday two years from now!

Our thanks to VBS Director, "Uncle" Don Brandt, who organized and directed BBC's involvement in the **Community Fun Day** a week ago yesterday. Many contacts were made with children through games and brochures of invitation handed out for this year's VBS program. A big thanks to all who helped Don in this project. Our **outside church sign** is now adorned with banners inviting the community to attend our VBS program. Drivers can now view the banners going both ways on Bayshore Avenue.

On June 11<sup>th</sup>, I preached a message from Hebrews 13:3 on the subject of persecuted Christians around the world. At the end of the message I asked if someone in the congregation would be interested in keeping us up-to-date on the state of our persecuted brothers and sisters around the world with a once-a-month presentation during the morning service. **Shar Barnes graciously accepted that ministry!** Before she gives us her first report, **Jocelyn** will briefly update us this morning on the difficulties the people from her own home country of Phillipines are faring with terrorists becoming more active. Let us remember to pray for those suffering for our Lord around the world.
